

XVI II DIAS de Trial Illa D'Eivisa

Another year month the Motoclub de Formentera I Eivissa organizes during days 6 and 7 of December (bridge of the constitution) internationally known "Two Days of Trial of the Island of Ibiza".

This year "Two Days of Trial of the Island of Ibiza" they were made in the municipality of Sant Antoni de Portmany, with a route similar to the one of the edition of the last year.

We will mount padock in the marine stroll of San Antonio, with park closed for the motorcycles and I will occur the exit from he himself.

The route I will begin in San Antonio, direction towards Sta. Inés by the interior of the island, following the route by the coast towards Salty Cove and again San Antonio. The route has about 20 km approximately. and 25 daily zones were made, with the typical shutdown at noon to eat and to rest a little.

As it goes being habitual, this year we will count on I magnify TRIAL-Show de Marcel Justribo and Jordi Pascuet. Además of the participation of numerous official pilots and national and international reputation like in previous editions.

Characteristics: She is one proves apt for pilots of all the levels, being able to choose each pilot in which level wants to compete, since there are 4 different colors: Black (very high level), Red (high level), blue (mean level) and green (simple level and CLASSIC).

Following with the philosophy of this test, which is tried is that all we pass a pair of days in company of friends who we shared a passion in common and to enjoy the motos.

Date:

Friday 5 of December: Verifications técnicas and verification of inscriptions.

6 Saturday and Domingo 7 of December: COMPETITION.

Inscriptions: The inscription is limited 150 participants, and it is had to make before the 30 of November (if preinscription has not been made I load an additional 30%)

The price of the inscription is of 110 € for both days and of 80 € for a single day. The mochileros that do not compete payment an inscription of 70 €

It includes:

- Insurances of the test
- Food of both days
- Transport of the gasoline until the hour control
- Supper of day 7
- A memory for all the participants

Sunday 7 at night the delivery of trophies was made and a supper so that we pruned to share our experiences and like no, some glasses...
